## WORK EXPERIENCE

- ICP HUB Kenya** JULY 2024 - PRESENT  
Student Ambassador
  - Bridging the gap between blockchain technology and the academic community. Organizing events, workshops, and discussions to educate students about the potential of Web3, decentralized applications, and the Internet Computer.
- Guild Code** JUNE 2024 - PRESENT  
Software Engineer Intern
  - I contribute to the development of innovative solutions by writing, testing, and maintaining clean, efficient code. Collaborating with experienced engineers, I work on real-world projects, participate in problem-solving sessions, and enhance my technical skills.
- Jetbrains College, Limuru** MAY 2024 - PRESENT  
Software Engineer
  - I design, develop, and maintain software solutions that streamline processes, support academic and administrative functions, and improve the overall user experience for students, faculty, and staff.
- Educator** MAY 2024 - AUG 2024
  - Through mentorship, collaboration, and active involvement in the institution's academic goals, I aim to create a positive impact on students' intellectual growth and professional aspirations, contributing to the college's mission of excellence in education.
- Milimani High School, Naivasha** AUG 2022 - SEP 2024  
Webmaster
  - By collaborating with administrators, teachers, and students, I ensure the website effectively communicates the school's values, events, and resources, serving as a vital hub for the school community and enhancing its digital presence.
